

## **Warranty's Offered**

All completed unibody repairs for as long as you own your automobile, any additional or previous repairs by any other repair facility, or any additional damage as a result of a separate or additional loss or collision, are excluded from this guarantee.

Body repairs of your automobile are guaranteed for the period of three years. Certain rust repairs must be excluded from this guarantee due to their nature.

Parts installed are warranted by their manufacturer.

Refinishing is guaranteed for as long as you own the vehicle. Excluded is damage from unreasonable use or care of vehicle.

Bill Etscorn's collision center guarantees a color match on refinishing work with the automobiles original finish. Vehicles which have been previously refinished and older model cars that are faded and weathered, will be evaluated on a case by case basis.

The extent of the total offer of this guarantee shall not exceed the total cost of the original repair. This warranty is non transferable. We do not warrant rust repairs.
